

We will be meeting in my home office studio, which is in my garden at 88 Regent Street, St Thomas, Exeter. I have separate back access for the office studio and there is free parking on the road in Rices Mews.

The easiest way to get here is to follow a Sat Nav to:

You can park on the road here and walk through the archway (next to number 14) where you will see a car park and my green/blue gate. Please call when you are here and I will come and meet you. Please do not park in the car park as it is privately owned.
